The figure shows a 6x6 grid with a color scale from 0 to 350. The background is red. A cluster of colored squares is centered, with colors ranging from dark purple (low values) to yellow (high values). A cyan line connects three points: (1,1), (1,2), and (2,3).

(3, 3) to (1, 4) — ROS

The heatmap shows a 6x6 grid with a red background. A path of colored squares is highlighted, starting from (1,4) and ending at (3,3). The path consists of squares with colors ranging from dark purple to yellow. A red line connects the squares at (1,4), (2,4), and (3,3). A color bar on the right indicates values from 0 to 400.
