The figure shows a 5x5 grid with a color scale from 0 to 250. The background is red (value ~250). A central 3x3 area is highlighted with various colors: teal (top-left and top-right), light green (middle-left), dark blue (center), dark purple (middle-right), yellow (bottom-left), and light yellow (bottom-right). Three red dots are placed at the intersections (2,2), (3,2), and (2,3) on a 0-indexed grid.
