The figure displays a 6x6 grid with a color scale ranging from 0 (dark purple) to 400 (yellow). The grid is predominantly red, indicating high values. A cluster of lower values (teal, blue, purple) is visible in the bottom-left quadrant. A path of five cyan dots is shown, starting at (3, 4) and ending at (4, 2).

The figure shows a 6x6 grid with a color scale from 0 to 400. The background is red. A central 3x3 area is highlighted with various colors: yellow (top), green (middle), and blue/purple (bottom). A red line connects three points: (2, 4), (3, 4), and (4, 3).
